

Truxpo Ride & Drive Lot

Email to info@truxpo.com or fax to 604-888-2941

A Ride & Drive Lot will be set up in the paved area at the back of Tradex Centre for the duration of the TRUXPO 2010 trade show. This lot will offer a limited number of spaces for exhibitors to park one or more tractor units for the purpose of offering test drives to potential customers. This opportunity is only open to confirmed TRUXPO exhibitors.

Please note that due to space limitations, there will only be room for tractor units or straight trucks; there is not sufficient length for tractors with trailers. Please note that Ride & Drive exhibitors need to ensure that their vehicles have plates for test drives as the roads surrounding Tradex are public.

A fee of \$400 per space (plus GST) is being charged to cover the space rental, setup, security and signage costs to TRUXPO for the lot. Please note, while Tradex security personnel will be patrolling the outside display and parking areas at Tradex, vehicle security during the show and test drives will remain the responsibility of the exhibitor.

If you are interested in reserving space in the TRUXPO Ride & Drive Lot, please fill out the form below and email to info@truxpo.com or fax to 604-888-2941 as soon as possible. Spaces will be sold and allocated to exhibitors on a first-come, first-served basis. If you have any questions, please call Michele Nicol at 604-888-5319 or 800-565-2282.
